This Pain

*I can't live with myself or I
So I might give it to someone else
How could this happen between you and me
Instead of talking to you I talk to myself*

*Why can't we give each other peace
What is life worth now when you are gone
I can't stand no more, when you cheat on me
I can't live with this in my mind
And the fact that you went behind*

*This pain in my chest, killing me
You don't understand what it is like
to see you with another man
how can you be so mean to me
you have no respect for the life we lived
now is five years blown away*

*What would you've said if I'd done like you
My emotions to people is quite few
You have to understand what you've done to me
I can't trust no one cause I believe
If I'd realized who you really were
I'd never spent my years on you
You once said: lean on me, and I believed
Now I'm standing here by myself
I think I'm dying here in my bed*

Angel

*Angel came down from heaven yesterday
She stayed with me just long enough to rescue me
And she told me a story yesterday,
About the sweet love between the moon and the deep blue sea
And then she spread her wings high over me
She said she's gonna come back tomorrow*

*And I said, "Fly on my sweet angel,
Fly on through the sky,
Fly on my sweet angel,
Tomorrow I'm gonna be by your side"*

*Sure enough this morning came unto me
Silver wings silhouetted against the child's sunrise
And my angel she said unto me,
"Today is the day for you to rise
Take my hand, you're gonna be my man,
You're gonna rise"
And then she took high over yonder*

*And I said, "Fly on my sweet angel,
Fly on through the sky,
Fly on my sweet angel,
Forever I will be by your side"*
